

Meet Lukas, an employee in Germany, that just welcomed his first child.

Lukas feels overwhelmed managing childcare costs, savings, and parental leave benefits.

BrightPlan

Through the **Optum EWS portal, powered by BrightPlan**, Lukas can access:

- Localized, translated financial content to plan effectively.
- Interactive budgeting tools to allocate expenses for baby essentials.
- Articles about government support for new parents in Germany.
- A financial health check to ensure he's on track for his long-term goals.

With BrightPlan's resources, Lukas gains clarity and confidence, reducing his financial stress and allowing him to focus on the excitement of this new chapter.
